Airport Security

What to Expect

- Passengers should proceed through the security checkpoint at least 45 minutes before flight departure time to ensure that you are at your gate area in time to board the aircraft.
- Only ticketed passengers are allowed beyond the security checkpoint. Arriving passengers can be met in the baggage claim area.
- We recommend arriving 90 minutes before flight departure for check-in and extra security measures. Peak times may take longer - these are generally early morning departures. The airport opens at 4:30 a.m. each morning.
- Passengers should proceed through the security checkpoint at least 45 minutes before flight departure time to ensure that you are at your gate area in time to board the aircraft.
- Each traveler is allowed a maximum of one carry on bag. This does not include a briefcase or purse.
- A current government issued photo identification is required for each passenger upon check-in and prior to entering the security checkpoint.
